

2022 Indiana Black & Minority Health Fair

Commit To Be Fit!

You're invited!

For 36 years, the Indiana Black and Minority Health Fair has provided more than \$2,500 in free health care, resources and education to communities and populations that are at higher risk for poor health and barriers to care. The health fair is more important this year than ever because we know that many people have fallen behind on routine checkups and immunizations or have delayed seeking treatment during the COVID-19 pandemic.

Date:

July 14- July 17, 2022
